

The Syracuse Post-Standard Says: "The World Almanac for 1901 is a complete in the way of statistical information as in former years. Several new departments are added this year, which increase the value of the publication. There are full election returns for 1900, giving the votes polled by the Republican, Democratic, Prohibition and Socialist parties by States, counties and cities. The Almanac is unexcelled for accurate information conveniently arranged on many subjects."

Butter is to be the great attraction this week. The sale begins to-day and will continue until the close of business on Saturday next; and, remember, there is to be no restriction, no limit in the quantity—a pound, five pounds, even a tub, is yours at the price quoted. This, however, does not apply to grocers, as at this price consumers and families only can buy.

VERY BEST FANCY CREAMERY BUTTER

FOR THIS SALE 21 CENTS A POUND.

Butter such as ours is indeed a treat, as but few stores attempt to match the Famous "Butler Butter Quality." The reason for this is that we are in direct contact with the best creameries in America, who ship us only their choicest grade. Naturally the best comes to us—the best always goes to the largest purchaser. 90,000 pounds a week (45 tons) is our output under ordinary conditions, but with a price like this, 100,000 pounds (50 tons) of the finest Creamery Butter in the world will be no surprising sale. Quantity, we know, has no bearing on quality, but we speak at this particular time of the great quantity of Butter we handle solely for the purpose of demonstrating that our Butter is known and appreciated in thousands of homes.
